

# NEW JERSEY SUPERIOR OFFICERS LAW ENFORCEMENT ASSOCIATION

[www.NJSOA.ORG](http://www.NJSOA.ORG)

The NJSOA is once again accepting applications for its annual scholarship drawing, and at least three (3) one thousand-dollar (\$1,000) scholarships will be awarded, with the following eligibility conditions applicable:

- An applicant is a full (100%) dues-paying member in good standing, and neither the applicant nor any member of his or her immediate family such as spouse or child has ever been awarded a NJSOA scholarship in the past (In other words, past winners are not eligible)
- The individual on whose behalf an application is submitted is a member of the applicant's immediate family such as spouse or child and is enrolled at an accredited university, college or other institution of higher education
- An applicant's immediate family is only eligible for one (1) scholarship award

Every application meeting the above conditions will be assigned a ticket for the random drawing. One half of the ticket will be affixed to the application and the other half, placed in a drum from which the winning tickets will be drawn. Institutional and sub-unit representatives shall present all completed applications at or before each October's general-membership meeting, for it will be at this meeting that the winning tickets will be drawn. Each scholarship award will be paid directly to the educational institution against the recipient's tuition.
