

## **LABOR UNITY DAY**

***June 16<sup>th</sup> - 9 AM at The State House (inside and out)***

***“SAVE COLLECTIVE BARGAINING”***

This is a call for action to ALL of our members:

The **New Jersey State PBA** is joining forces with LABOR unions from across New Jersey for a Demonstration Rally that will be held **THURSDAY- JUNE 16<sup>th</sup>** at the **State House in Trenton**. Governor Christie and Senate President Sweeney have crafted legislation that will affect our pension system (meaning you will pay more), eliminate COLA, and most importantly CIRCUMVENT our contracts by **mandating Health Insurance premium sharing for members that we will carry into retirement**. Based on this legislation- you will shortly outlive your pension and will have NO cost of living adjustment. Our Public Safety Rally held back in March unfortunately seems to have faded away in the memory of legislators (some of whom stood before us and made promises).

The overwhelming turnout at the March rally was a tribute to our members and their desire to be treated FAIRLY. We know the time and costs that went into bringing your members down. We need to do this again before it's too late!

COLLECTIVE BARGAINING will be a thing of the past-

***IF we do not find a way to stop this legislation.*** The Senate and Assembly are set to act on this soon.
